No. 76-CR-32

<u> 0 R D E R</u>

The Court has before it for consideration the motion of the defendant, Ernest Dwayne Agee, for a reduction of sentence pursuant to Rule 35 of the Federal Rules of Criminal Procedure. A similar motion filed by the defendant was overruled by the Court on January 26, 1978. The defendant was found guilty of violating Title 18 United States Code, Sections 371 and 659 on April 21, 1976. His conviction was affirmed on appeal on October 11, 1977, and the United States Supreme Court denied certiorari on November 14, 1977.

Rule 35 gives this Court jurisdiction to reduce a sentence for only 120 days after entry of an order of the Supreme Court denying review of a conviction. The motion now before the Court was filed on April 5, 1977, more than 120 days after the Supreme Court's order. Consequently, this Court is without jurisdiction to consider defendant's motion. In any event, even if the Court had jurisdiction to rule on the motion, it would be overruled, because the Court believes that under the circumstances of this case, the sentence imposed was appropriate, just and reasonable.

It is so Ordered this 5th day of April, 1978.
